“Fairview School...A Special Place”

Dear Parents and Guardians,

A new school year is always exciting! Don't get me wrong, I've enjoyed an amazing summer with my family - recharging and regrouping. But I'm not going to lie... I love the routine, buzz, challenges, learning, collaboration, and STUDENTS that come with school life. Lots always happens over the summer in our lives - good and difficult times. Our community comes together again - different. New students, attitudes, opportunities, perspectives... but each intertwines with the desire to maintain the deep-rooted values, traits, and stable success that has united the Fairview community for years. We welcome you.

Fairview is a place where students can playfully explore the foundations of their learning and grow forward. We are blessed to be a community of people from all walks of life just edging our way into a new and bold confidence, creativity, and beauty of a diverse humanity. We believe a school's ultimate purpose should be to equip children to understand the truth about life, the world, and their place in joyfully serving it.

Our role is to partner with YOU to help shape your child's *mind* and influence the *heart* and *character* of your child. The power a school has to impress a worldview on a youngster is great. Partnering with you in this task is inspiring and humbling work we take seriously. We want you to know that we desire to develop an environment and culture of academic, physical, and emotional engagement. Your child, your family - and our connection is critical. Fostering community connection, classroom friendships, and encouraging acceptance can influence how we think and choose to live. When we care about each other's growth and share accountability for success, many distractions and learning barriers are removed.

As a seasoned mom, educator, and administrator, your Fairview staff team are wonderful professionals. We are confident in our approach to potential knowledge, skill, or 'will' gaps that will accelerate progress when addressed as a team. We know how to identify exactly what unfinished learning needs to be addressed, when, and how and how to engage your child to soar with wonder and confidence in learning. We are excited to serve you and your family. As your Principal, I sincerely hope you find Fairview a 'Special Place.' We will be kind, approachable, and compassionate to the needs of Students, Staff, Families, and our Community.

I look forward to working with you and our students throughout the school year to provide a productive and safe learning environment that supports student success.

With gratitude,

Teresa Tataryn
